

LOCAL REFERRALS DIRECTORY

The following referral information is to assist you in finding the on-going treatment that is right for you. The Counseling Center Staff cannot vouch for all of the care providers listed here. Washington and Jefferson College faculty and staff have recommended some of the providers and some providers are established and well known in the community. We can discuss the list and provide any further information we may have at your request. Please provide any feedback or information about your experiences with any of these individuals or services to help us continue to improve this referral resource.
