## Online Resources for You

### Life after graduation

It's normal to have a lot of questions about what post-grad life will be like! You can anticipate that there will be some adjustments and changes – just as there were when you came to college. We hope to provide you with some resources and alumni insight that might help answer some questions and get you ready for your next steps! And as always, the staff, faculty and administration are always here to help answer questions too!

On Wednesday April 15 at 4 p.m., Embark and Alumni Engagement will host a live Zoom session with **Nick Morton '16** to offer some insight and answer some questions about life as a recent grad! [Click here](#) to sign up and submit your questions!
